Let the Fire Fall

"But if I say, "I will not mention him or speak any more in his name," his word is in my heart like a fire, a fire shut up in my bones. I am weary of holding it in; indeed, I cannot."

Jeremiah 20:9

**Flame of Fire in the
army of God...**

5 Levels of Fire

The Fire of God is needed in church today. We need the fire to get cleansed, purified and be restored back into the image of God.

Fire will cause you to glow in the spirit as you grow in the likeness of God. You will move from a position of weakness to power but you have to be willing to let go of the world.

When the fire falls after you've repented and are back in line with God, you can expect your life to be completely changed. If you choose to teeter-totter back and forth from God to the World, a change will still take place but not in the right direction.

God wants us to be totally sold out for him. He will not tolerate: Lust, Idolatry, Laziness, Gossiping, Bitterness, Lying, Selfishness, Worry, Fear, Pride, Lack of Sexual Control, Judgmental Spirit, and Procrastination.

All are in and active in the church and all will quench the Fire of God. We need to pray and stand against these demons that are trying to stay in the church and be aware that we ourselves are not inviting them in.

- 1) *Ash*- Those at this level have expired Spiritually. An example is King Solomon, who once called down fire, then gave into worldly things.
- 2) *Smoke*- Proudful, manipulating and controlling people occupy this category and find it difficult to separate themselves from the world.
- 3) *Spark* – On again and off again Christians. One day their prophesying and the next day their fighting.
- 4) *Coals of Fire*- Christians who have what it takes to move mountains but are not doing anything. They sit and imagine without taking any action.
- 5) *Flames of Fire* (Heb 1:7) – Those moving in the power of God and doing great exploits. They may not be popular but they're the most useful soldiers in the army. They are prayer warriors that pray *through* situations.

A Flame of Fire is what we want to be. It takes a determination and willingness to be transformed and letting go of Worldly ways but God promises us something so much bigger and better than we can ever imagine. We've decided to be Flames of Fire, how about you?
