Why do you call Me Lord?

Luke 6:46 "And why do you call me, Lord, Lord, and do not the things which I say?"

There comes a time in all of our lives when we have to decide our position on life issues. Everyday we have the choice to do things God's ways or our own. In current society it is considered politically correct to live according to your own individual rules. From following the speed limit— to being honest in our own conversation; we have decisions to make everyday.

In today's scripture, the Lord Jesus asked a direct question— "Why do you call me Lord?" We have to consider— Why do we call him Lord? Is it because we love him with our whole heart? Is it because we think it is the thing to do? Or is it because we want to have the label "Christian" on the sign post of our lives?

Our society is very mixed up today. They change

there views and ideas; likes and dislikes; and attitudes depending on whom they are with at the moment. But this should definitely not apply to Christians. We need to remember there is too much world in the church and in our lives. Our thoughts, ideas, likes and dislikes, and our attitudes should never change. That is because they should be based on the Word of God and the Word never changes.

Luke 6:43 "For a good tree brings not forth corrupt fruit; neither does a corrupt tree bring forth good fruit." When we accepted Jesus into our lives, we made a covenant— an agreement that cannot be broken— to love according to the Word of God— consistently; regularly; everyday no matter what. No matter what anyone else says or does, no matter what we are asked to do. No matter what our emotions say. What does the

Luke 6:43 "For a good tree brings not forth corrupt fruit; neither does a corrupt tree bring forth good fruit."

Word of God say? Then that is our answer— no matter what the question. If we are doing what the Word says then we are doing what Jesus has said— period. No further discussion is needed.

**Got a Question?
God has the answer.**

As we continue to grow in the Lord, life tends to present us with questions and circumstances that we are not always sure how to handle. God has given us the body of Christ as reinforcement. If you are struggling with a situation or just have a question that you always wondered about. Please don't hesitate to contact us. We will publish the answer in a future newsletter. A Word from the Founders

Dear Friends and Partners,

The end of summer is fast closing in and we pray that you have had a safe and enjoyable summer. The school year is upon us and the parents are excited. As for the kids, summer was just too short again. Isn't it interesting how time goes by quicker as we get older. In this time we are in, it is not only the end of summer or another year rapidly

approaching, but the end of time is upon us and the Lord Jesus is sounding the trumpets. Think of all those who you know who do not know Jesus as their Lord and Savior. Where are they going to spend eternity? Family, friends, enemies, neighbors, people at work, and those we know casually. They all should be important to us and need to be in our prayers daily. We don't want anyone to miss that final curtain call. As we look upon life and our daily battles it is important that we stay connected with each other, especially through prayer. If you have any prayer needs or any praise reports please let us know. We love all of you and pray for you. Thank you for your many years of support in prayer and financially.

God Bless you,

Pastors Greg and Terri Nies

Devotional

3 John 2

“Beloved, I wish above all things that thou mayest prosper and be in health, even as they soul prospereth.”

We were created triune beings— spirit, soul, and body. God's Word is medicine to our flesh. (Prov. 4:20-22) If any type of medication is to bring relief and a cure, it is necessary to follow the prescribed dosage. This is true with “spiritual” medicine. It is imperative to take doses of God's Word daily through reading, meditation, and listening the healing tapes. The spirit, soul and body are inter-related; it is the Word of God that brings the entire being into harmony. *

Our bodies are mostly made up of water and it has been recently scientifically proven that water contains words. In fact, an experiment was done with water crystals and music. When scientists played positive music with positive words, the crystals remained vibrant and beautiful. When they played music with negative sounds and words, over a period of time they turned black.

The words that we are speaking about ourselves are being held in the water in our body as well. This brings a whole new revelation when God says that our words are life and death. So, if we continue to fill ourselves up with God's Word, we will also reap physical benefits as well as spiritual.

Break Out of the Box Bash July 13th, 2007

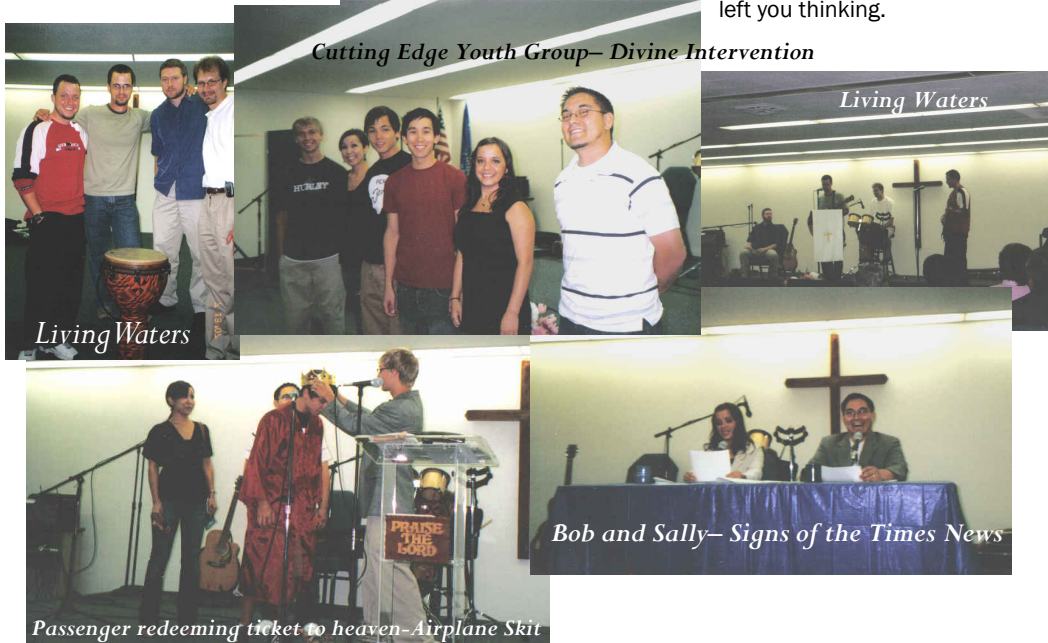

Friday the 13th definitely proved to be an unforgettable night. The teens and young adults put together an ensemble of music, performance & skits complete with the undeniable gospel message.

The local band "Living Waters" played an awesome set and left the audience wanting more. Their music had a strong anointing and it flooded the room with God's presence.

Everyone had a lot of fun with the skits. Bob and Sally from Signs of the Times News and the cast from the airplane skit were all a big hit. Although there were a lot of laughs, there was strong message behind them that left you thinking.

We want to thank everyone who helped make this night successful. We appreciate all those who helped with food, set up and entertainment. Also, a special thanks to "Living Waters" for being a part of this night. They played great and we hope to have them back in the future.

Stay tuned for future events!
