

Introduction

The Lord spoke to me and said, “Take these words to My people, My son. I love you with an eternal love that accepts you as you are, My beloved. Don’t try to be something that you were not made to be. Be who I created you to be. Be truly part of My creation. For you were chosen to be what I created you to be. Shed all the self-righteousness. Repent of the anger and hatred that you hold in your heart today. Do not let unforgiveness and jealousy consume you.

“For when you do that, you are missing the best that I have for you. When you refuse to listen to Me, you are deciding to walk in your own strength. My beloved, don’t waste any more time. Come to Me. My ways and plans are far greater than yours, so stop what you are doing in the flesh.

“When I spoke to you and tried to talk to you, you turned a hard heart and a deaf ear to My words. Please do not continue to reject and turn from Me, for it will cost you dearly, My beloved. No matter how hard life has been to you, it can in no way compare to the torments of Hell. Come to Me and receive all that I have for you – right here and right now. Don’t wait or hesitate, My child.”

Chapter 63

Our Special Time

My beloved, I am calling to you.
I am seeking our special time together.
I want to spend the early morning with you.
It is the best time, because your mind is not cluttered.

You are not bound up with the cares of life.
You are not resisting, because of the fears that surround you.
You are not running so fast that you cannot think.
You are willing to rest in My presence.

When you make this time your first stop every day,
you will find not only peace and quiet,
you will find the direction and instruction that you seek,
you will find the answers to the questions you have asked.

Chapter 64

Thanksgiving

See what is good in your life.
See all that I have done for you.
Be willing to walk in My will everyday.
Be acceptant of what I have done.

Today I do a new thing!
Today I take you beyond yourself!
Today is a new day of victory and accomplishment!
It is a new day of understanding in Me!

So as you look around you,
see through eyes of thanksgiving.
Making sure that you have accepted My blessings,
and decide to operate with them.

The anointing to function is here right now,
the purpose to be completed stands ready.
The answers you have sought in Me,
I present before you right now.

So choose to have a heart of thanksgiving,
because if you are thankful, I am more willing
to give you even more of My blessings,
and to join with you every day!

Chapter 65

I Am Calling

I am calling you to a new place in Me,
where you can be at peace in days of turmoil.

I am calling you to come aside with Me,
and to rest in My arms.

I am calling you to fill your days with My presence,
instead of worldly ways and desires.

I am calling you to look to Me for answers,
instead of to your own strength and abilities.

I am calling you, and I expect you to come,
so that we can be in fellowship every day.

Every morning I await your awaking,
to come aside with Me.

I love you and I want to spend time with you!

Chapter 143

Make This Your Quality Decision

Make this your quality decision today;
that you seek My presence from above,
that you hear My call unto you,
that you realize that I would never leave you.

Please know that I am with you always.
My child, I would never leave you.
Know that My love is too great,
to let anything petty cause us to separate.

But, I stand upon My word to you;
you must repent in order to return in full.
Then, after you forgive and release grace,
I can come to you and abide in your place.
