## Worldwide Change From Discoveries to Disasters

- There is a change in the jet stream and there will be extremely strong storms and cold temperatures in areas this winter. This will be unusual for these places.
- There will be battles among those wishing to vote and there will be corruption at the poles. There will be people who are not registered going to the voting places.
- There is going to be a strong violent storm at sea in the Pacific. There will be an ocean liner in trouble and many will be lost at sea.
- There will be continued battles between Georgia and Russia and they will be centered on the oil pipelines.
- There will be unexpected flooding in the Southern United States that will destroy a large amount of crops.
- In Africa there will be a war between different tribes in Zambia and Mosenbech.
- A change in temperatures around the world will bring balance to climates in China and Pakistan, where there has been devastation.
- Northeast cities will experience shortages of fuel and heating oil.
- After the election, there will be oil discovered in the upper states that was previously unknown.
- War will break out in the upper provinces of China.
- This winter, there will be a very strong virus that will cause the flu to reach epidemic stages and increase the amount of pneumonia cases.
- A large number of companies will have union problems and there will be strikes. There will also be a trucker's strike that will cause a lot of food to go to waste.
- There will be medical discoveries that will bring treatment for babies with Downs Syndrome.
- There will be discoveries that will bring treatment for Leukemia
- The economy of the U.S. will turn around and increase. The slide towards inflation will stop and turn around.
- The U.S. dollar will increase in value and the balance of trade will become in the favor of the U.S.
- Turkey will continue to have earth quakes and many lives will be lost.
- Iran will have a violent revolution and many millions will be hurt or killed. Russia will try to come to their aid but internal struggles will cause them to leave.
- The New Year will bring a new beginning for many people as the glory of the Lord covers many areas of the world.
- There will be a revival among the children. As they seek the Lord, their parents will at first be angry, but then they will also be caught up in it.
